Songs & More

If You're Ready to Scream

Tune: If You're Happy and You Know it

If you're ready to scream, tap your knees

If you're ready to scream, tap your knees

If you're ready to scream,

And you're really, really mean,

If you're ready to scream, tap your knees

Additional Verses:

Cover your eyes

Scream ahhhhhhh

Goblins, Goblins

Tune: Teddy Bear, Teddy Bear

Goblins, Goblins, turn around!

Goblins, Goblins, touch the ground!

Goblins, Goblins, reach up high!

Goblins, Goblins, squint your eyes!

Goblins, Goblins, show your teeth!

Goblins, Goblins, stomp your feet!

Goblins, Goblins, slap your knees!

Goblins, Goblins, sit down, please!

Itsy Bitsy Spider

The Itsy Bitsy Spider

Climbed up the water spout.

Down came the rain and

Washed the spider out.

Out came the sun and

Dried up all the rain.

And the Itsy Bitsy Spider

Climbed up the spout again.

Flutter, Flutter Little Bat

Tune: Twinkle Twinkle Little Star

Flutter, flutter little bat,

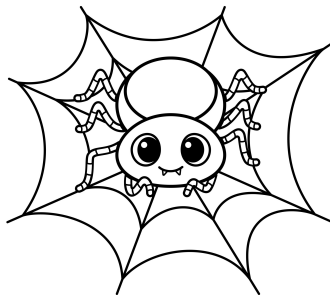

How I wonder where you're at

Swooping through the darkest night,

Find a way without a light

Flutter, flutter little bat,

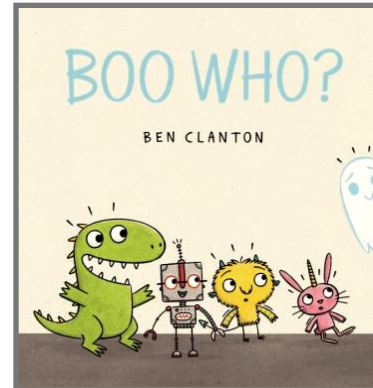

How I wonder what you're at

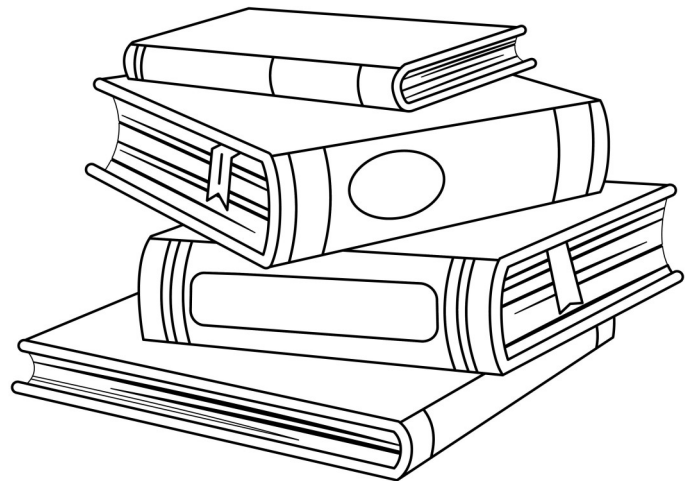

Books Read Today

[The Little Ghost Who Didn't Want to Be Mean](#) By Isla Wynter

[Boo Who?](#) By Ben Clanton

Every Child Ready to Read Skill

Singing

- Singing helps with focus; vocabulary and phonic expansion; and predictability and cause & effect.

When you sing the same song to your baby or child over and over, they learn to expect what is coming next. For example, “After mom says ‘with a one step, and a two step’ she’s gong to tickle me!”

- Singing also helps with mathematical and spatial skills.

Music enhances brain development in areas tied to pattern recognition, counting, organization, time, and division of larger notes into smaller notes (i.e. fractions).

Resource Shoutout

Early Learning Hives: Learning Through Play

Early Learning Hives are designated spaces for children from birth through age 6 to develop skills through play. Games, puzzles, and toys help develop:

- | | |
|-------------------------------|-----------------|
| * Fine and gross motor skills | * Cooperation |
| * Early literacy skills | * Creativity |
| * STEAM principles | * Concentration |
